Reference:

In their order cited above, the Government have approved the proposals of the Board ~~of~~ for giving a course of training in Survey to the Karnams of the unsurveyed estate villages taken over by the Government under the Estates Abolition Act. On this the Accountant General Madras, has asked the Board for information as to the rate of pay admissible to the Karnams during the period of training and authority for allowing the same rate during the training period with reference to the provisions of F.R.20. The rules laid down in the Madras Special Funds Code above apply to the village officers and according to Article 49 of the code, the rules laid down in the Fundamental Rules as regards pay and acting allowances, do not apply to the Village Officers. But even in the Special Funds Code, there is no provision regarding the rate of pay admissible to the Karnams during the period of training. According to the proposals submitted by the Board which have been approved in the Government Order cited above, the Karnams are to be given training in their own villages or in the adjoining villages. During the period of training they will continue to perform their normal duties as Karnams the respective villages. They will not be relieved of their duties as Karnams, for purpose of undergoing the training in Survey nor will there be any question of appointing substitutes in their places for the period that the Karnams of unsurveyed estate villages taken over by the Government undergoing training in Survey may be allowed to draw their usual pay during the period of training, end requests that the Government may be pleased to issue orders accordingly at an early date.
